

Little Rockets

Counts	Lyrics	Choreography
	<i>This is space mission control calling all the little rockets</i>	Put hand to ear and listen
	<i>Please crouch down in a little ball and prepare for launch</i>	Crouch down and prepare for take off
	<i>Now bounce as we count down to take off</i>	Bounce in a crouch 8 times
	<i>10,9,8,7,6,5,4,3,2,1 Blastoff!</i>	Bounce in a crouch 8 times On Blastoff jump out to feet wide!
1-8	<i>Jump into sky, jump, jump, jump jump</i>	Arms up - push them to the ceiling - jump 8 times
1-8	<i>Put your arms out wide and fly Jump jump jump jump</i>	Arms up - push them to the ceiling - jump 8 times
1-8	<i>Turn to the left like a circle in the sky Turn to the left</i>	Turn to the left
1-8	<i>Now turn to the right go way up high Turn to the right</i>	Turn to the right
1-8	<i>Now tippy toes march Tip toe tip toe</i>	March on your tippy toes
1-8	<i>And reach for the stars March, march, march, march</i>	Reach arms up and march on tippy toes in a circle
1-8	<i>Stretch those arms up Really stretch</i>	Keep marching high on your tippy toes with arms reaching up - move around the room
1-8	<i>Get high up on those tippy toes Let's go.</i>	Keep marching high on your tippy toes with arms reaching up - move around the room
1-8	<i>Little rocket flying high up in the sky</i>	Feet wide - point right arm across to the left and then circle out and up to the right corner
1-8	<i>Little rocket dancin' in the moonlight</i>	Feet wide - point left arm across to the right and then circle out and up to the left corner
1-8	<i>Now Float around the room. You've made</i>	Walk with big overexaggerated steps throughout

	<i>it to space!</i>	the room - in slow motion - right foot
1-8	<i>Take big silly steps in slow motion.</i>	Walk with big overexaggerated steps throughout the room - in slow motion - left foot
1-8	<i>Wave at all the other rockets floating around</i>	Walk with big overexaggerated steps throughout the room - in slow motion - right foot
1-8	<i>Just as if the sky were the ocean</i>	Walk with big overexaggerated steps throughout the room - in slow motion - left foot
1-8	<i>Take your left pointer finger point down at the Earth</i>	Left pointer finger points out and then down
1-8	<i>Take your right pointer finger, point up at all the stars</i>	Right pointer finger points out and then up
1-8	<i>and say "Wow!!"</i>	Hands out and flexed - palms face up - say wow!
1-8	<i>Now jog in place - as you start your space engines</i>	Jog in place RLRLRLRL
1-8	<i>Jog in place as you travel through the solar system</i>	Jog in place RLRLRLRL
1-8	<i>Jog in a circle to the left</i>	Jog in a circle to the left
1-8	<i>Jog in a circle to the right</i>	Jog in a circle to the right
1-8	<i>Point to a planet</i>	Point right arm up to the upper right corner
1-8	<i>Point to a moon</i>	Point left arm up to the upper left corner
1-8	<i>Point to a star</i>	Point right arm down to the lower right corner
1-8	<i>Point to the galaxy!</i>	Point left arm down to the lower left corner
1-8	<i>Little rocket flying high up in the sky</i>	Feet wide - point right arm across to the left and then circle out and up to the right corner
1-8	<i>Little rocket dancin' in the moonlight</i>	Feet wide - point left arm across to the right and then circle out and up to the left corner
1-8	<i>Take one hop forward One hop back</i>	One hop forward One hop back
1-8	<i>One BIG hop forward And One hop back</i>	One BIG hop forward One BIG hop back
1-8	<i>Turn two circles to the right And you'll land back on Earth</i>	Two fast circles to the left
1-8	<i>You've landed little rockets Welcome back to Earth</i>	Feet wide - right hand touches the ground

1-8	<i>Take a deep breath and let it out</i>	Deep breath in - arms open and rise up - deep breath out - arms lower
1-8	<i>Wow little rockets That journey was out of this world!</i>	Clap!
