

SUPERHERO STOMP

Hey superheroes, did you bring your superpowers today? You're gonna need them! Let's power up!

I'm gonna stand so tall and proud
Hands on hips, now look around
Lean to the left, and then lean right
Let's save the world tonight

Clap 1 2 3
And come with me
It's time to save the day
Stomp 1 2 3
Now touch your knees
Go up up and away

Stomp Left Stomp Right, I'm a superhero
Hands up and watch me fly
Kick Left Kick Right, I'm a superhero
Soaring through the sky
Watch me fly

I'm gonna fly around the room
Hands in front, now watch me zoom
Flying left, and then fly right
Let's save the world tonight

Clap 1 2 3
And come with me
It's time to save the day
Stomp 1 2 3
Now touch your knees
Go up up and away

Stomp Left Stomp Right, I'm a superhero
Hands up and watch me fly
Kick Left Kick Right, I'm a superhero
Soaring through the sky
Watch me fly

"Way to soar superheroes! That was incredible, your energy saved the world!"
