

DOLPHIN DIVE

Want to go on an adventure? Let's go out to sea! Come be a dolphin with me!

Dolphin divin' in the deep blue ocean
Swimmin', smilin', with your fins in motion
Kick your legs, and splash your arms around
We're dolphin divin' now
We're dolphin divin' now

Make waves with both your hands
Let's swim beyond the sand
Both hands above your head
Now dive into the sea instead
Belly's down and flippers high
Jellyfish can't pass you by
Now paddle left and right
let's party on the waves tonight
