

FAIRY FANTASY

Here I am
Learning how to spread my own wings
every time I do my heart sings
Up and away
Today is the day
I've got what I need

I can do it
Here I go

Flying so high
Flying so high
Fairies are magic
We reach for the sky

Wings shining bright
Sparkle at night
Fairies are magic
And creatures of light

Soar through the trees
Float on the breeze
Move through the air with the greatest of ease

Flying so high
Flying so high
Fairies are magic
We reach for the sky
Reach for the sky

Here I am
Feel a little stronger each day
Even when I don't that's okay
Love in my heart
I'm ready to start
I've got what I need

Flying so high
Flying so high
Fairies are magic
We reach for the sky

Wings shining bright
Sparkle at night

Fairies are magic
And creatures of light

Soar through the trees
Float on the breeze
Move through the air with the greatest of ease

Flying so high
Flying so high
Fairies are magic
We reach for the sky
Reach for the sky

We fly
We fly

Flying so high
Flying so high
Fairies are magic
We reach for the sky

Wings shining bright
Sparkle at night
Fairies are magic
And creatures of light

Soar through the trees
Float on the breeze
Move through the air with the greatest of ease

Flying so high
Flying so high
Fairies are magic
We reach for the sky
Reach for the sky
