Fiesta

I, I wanna teach you to salsa
Then we can do the rumba
Again again and again

I, I wanna teach you to salsa
Then we can do the rumba
My friend, my friend, my friends

Come on come on show me, Come on come on show me,
Show me how you move

We're gonna have a fiesta with friends
Fun never ends
Coconuts and palm trees lots of sunshine, we're relaxing
Fiesta with friends
Fun cause we can
Surfing on the beach and dancing,
We're gonna have a fiesta

Now can you show me the cha cha?
Give it all that you got-a oh
Oh I, I wanna see you merengue
Go ahead do it your way, oh

Come on come on show me, Come on come on show me,
Show me how you move

We're gonna have a fiesta with friends
Fun never ends
Coconuts and palm trees lots of sunshine, we're relaxing
Fiesta with friends
Fun cause we can
Surfing on the beach and dancing,
We're gonna have a fiesta

Do it how you do just
You do you
Salsa rumba, anything you want to
Do it how you do just
You do you
Cha Cha, merengue, anything you want to

We're gonna have a fiesta with friends
Fun never ends
Coconuts and palm trees lots of sunshine, we're relaxing
Fiesta with friends
Fun cause we can
Surfing on the beach and dancing,
We're gonna have a fiesta
