ICE CREAM SUNDAY

It's Ice Cream time, let's go! C'mon!

It's sunday, whatcha want?
Ice cream sounds lots of fun
Two scoops, or maybe 3
Now pour the sprinkles just for me

Vanilla, chocolate too
Arms out to share with you
I just love ice cream day
Pump both hands, hip hip, hooray

Step right for chocolate fudge
Step left for cookie crumbs
and a cherry on top

It's ice cream sunday time
And I'm feeling fine
I gotta stomp clap stomp clap
All the time
How's that banana split?
C'mon let's rock with it
I gotta step slide step slide
Lovin' it
It's Ice cream sunday time

Yeah! Are you ready? Back at it again, ice cream Sunday dance! C'mon, 1 2 3

I'd like a sundae, and a cone
One for here and one for home
Now mix the swirl please
Rocky road and strawberry

Vanilla, chocolate too
Arms out to share with you
I just love ice cream day

Pump both hands, hip hip, hooray

Step right for chocolate fudge
Step left for cookie crumbs
and a cherry on top

C'mon!

It's ice cream sunday time
And I'm feeling fine
I gotta stomp clap stomp clap
All the time

How's that banana split?
C'mon let's rock with it
I gotta step slide step slide
Lovin' it
It's Ice cream sunday time

Yeah!

Step right for chocolate fudge
Step left for cookie crumbs
and a cherry on top

It's ice cream sunday time
And I'm feeling fine
I gotta stomp clap stomp clap
All the time

How's that banana split?
C'mon let's rock with it
I gotta step slide step slide
Lovin' it
It's Ice cream sunday time
It's Ice cream sunday time
yeah
