MONDAY MOOD

No matter how I feel
I gotta move
I always keep it real
And find a groove
My monday mood
My monday mood
My monday mood

When I'm full of joy
I jump around
When I feel annoyed
I stomp the ground
My monday mood
My monday mood

The weekend was a blast
Wish that I could make it last
Now Monday's here, no matter how I feel I'm gonna dance dance dance

When I'm feeling sleepy
I dance real slow
When I'm feeling weepy
I let it flow
My monday mood
My monday mood
My monday mood

When I am excited
I dance real fast
When I'm feeling frightened
I stomp and clap
My monday mood
My monday mood

The weekend was a blast

Wish that I could make it last

Now Monday's here, no matter how I feel I'm gonna dance dance dance
