MY MOM'S THE BOMB

My mom, she's the sweetest, she gives me all the love that I could ever need and
She gives me the best hugs, she helps me fall asleep by giving me a back rub

(Ooo) I'm so thankful for my momma

(Ooo) When she gets home I am gonna tell her what she means to me!

My mom's the bomb, my mom's the bomb, oh yeah she lights up the room
My mom's the bomb, my mom's the bomb, there's nothing that she can't do
She makes me feel better when I'm feeling sad,
When I hug her tight, nothing could be bad, oh
My mom's the bomb, my mom's the bomb
Oh yeah, my mom's the bomb

She comes in at nighttime, she helps me fall asleep so cozy at the right time
She bakes all the best treats, and when we're driving in the car she plays the best beats

(Ooo) I'm so thankful for my momma

(Ooo) When I get home yes I'm gonna tell her what she means to me

My mom's the bomb, my mom's the bomb, oh yeah she lights up the room
My mom's the bomb, my mom's the bomb, there's nothing that she can't do
She makes me feel better when I'm feeling sad,
When I hug her tight, nothing could be bad, oh
My mom's the bomb, my mom's the bomb
Oh yeah, my mom's the bomb
My mom's the bomb, my mom's the bomb
Oh yeah, my mom's the bomb
