Rainbow Rabbit

I saw a rainbow rabbit outside my house
He was walking in the garden, hanging around
Had his music up, it was real real loud
Yeah that rainbow rabbit he could break it down

He was red like roses, and orange too
Yellow like a sunflower all in bloom
Green like grass, and deep deep blue
Indigo and violet, so so cool

Look out the window, tell me do you see it?
Careful drop down so you don't get caught!

Hop hop clap and drop
Hop hop clap and drop
Hop hop clap and drop
Hop hop clap and drop

I saw a rainbow rabbit chillin in the back yard
He was looking so fresh like a movie star
Had his music up, it was way too loud
But that rainbow rabbit didn't turn it down

He was red like roses, and orange too
Yellow like a sunflower all in bloom
Green like grass, and deep deep blue
Indigo and violet, so so cool

Look out the window, tell me do you see it?
Careful drop down so you don't get caught!

Hop hop clap and drop
Hop hop clap and drop
Hop hop clap and drop
Hop hop clap and drop

Lookout lookout, yeah there he goes
Dancing in the roses, turning on the hose!

Hop hop clap and drop
Hop hop clap and drop
Hop hop clap and drop
Hop hop clap and drop
