

THANKFUL TUESDAY

Take a deep breath roll your shoulders down
I'm thankful I have all these friends around
Bend your knees reach your arms overhead
I'm thankful for my cozy bed

Clap your hands to the groove
We're thankful for our healthy bodies that move!

It's thankful Tuesday
I'm thankful for the life I lead
I'm thankful I have all I need
I'm thankful for the sky above
I'm thankful for the ones I love

Leap up high, let me see you roam
I'm thankful for my family's home
Point your left toe and then your right
We're thankful learning at school makes us bright!
Pre2:
Knod your head to the beat,
We're thankful for all our teachers who teach!

It's thankful Tuesday
I'm thankful for the life I lead
I'm thankful I have all I need
I'm thankful for the sky above
I'm thankful for the ones I love
I'm thankful for the ones I love
