Jungle Jive

Jive like a jungle cat
Like you know where the party's at
Hop along like a jumpy frog
Now freeze...Camouflage

Slither like a slippery snake
Back and forth now, shake shake shake
Slide all day and all night long
Now freeze...Camouflage

Ooo, do the jungle jive
Monkey arms out, move 'em side to side
Ooo, do the jungle jive
Now slow like a sloth say "My my my!"

Jive like a jungle cat
Break it down now, just like that!
Hop along like a jumpy frog
Now freeze...Camouflage

Slither like a slippery snake
Back and forth now, shake shake shake
Slide all day and all night long
Now freeze...Camouflage

Ooo, do the jungle jive
Monkey arms out, move 'em side to side
Ooo, do the jungle jive
Now slow like a sloth say "My my my!"

Listen to the sounds of the jungle
Listen to the sounds that you hear
Let's all do the jungle beat
Now clap clap clap clap, stomp your feet!

Ooo, do the jungle jive
Monkey arms out, move 'em side to side
Ooo, do the jungle jive
Now slow like a sloth say "My my my!"
