DRAGON'S PLAYHOUSE LYRICS

We're going to the Dragons Playhouse
And we can get in with our fresh moves

There's a castle on the hill
Where the dragons like to chill
Every day at four o'clock
That's when the dragons start to bop.
So come on let's go and check it out we're gonna see the dragon crew.
Just knock knock on the castle door they're gonna come and dance with you.

We're dancing, we're dancing
At the dragons playhouse
We're dancing, we're dancing
At the dragons playhouse

Now the dragons are our friends
And the party never ends
So we're gonna take a ride
With a dragon through the sky
Now while flying through the clouds I hear a little distant dragon beat.
Down below I see a castle floating on the dragon sea

We're dancing, we're dancing
At the dragons playhouse
We're dancing, we're dancing
At the dragons playhouse

In the playhouse, playhouse
They brought us all together, no matter what the weather in the
Playhouse, playhouse
Now we're friends forever
Dragon friends forever

We're dancing, we're dancing
At the dragons playhouse
We're dancing, we're dancing
At the dragons playhouse
