PILOT PIZZAZZ

You seem like a pilot with real pizzazz! You ready to fly, sky high?? Let's go!

I've got a love for speed
One plane is all I need
The one with 2 jet engines seems like just the plane for me
I'm gonna fly away, I'm gonna fly today
Let's dance like pilots do
Pick out a plane for you
The cockpit's got two seats and wow, this headset sure is neat
I'm gonna fly away, I'm gonna fly today

Make sure your seat's upright
Now let's take flight

I'm on a plane, wings out, fly away
Through the clouds, left and right and straight
I'm on a plane, sky high every day
Like a bird, feeling free and brave
I'm on a plane

Let's do it again!

Let's fly over the waves
To somewhere far away
To London, and Malaysia, maybe stop in Saint Tropez
I'm gonna fly away, I'm gonna fly today
Warm sand in Mexico
Swiss alps and all that snow
Nebraska where they grow the tallest corn, yah now you know
I'm gonna fly away, I'm gonna fly today

Make sure your seat's upright
Now let's take flight

I'm on a plane, wings out, fly away
Through the clouds, left and right and straight

I'm on a plane, sky high every day
Like a bird, feeling free and brave
I'm on a plane, wings out, fly away
Through the clouds, left and right and straight
I'm on a plane, sky high every day
Like a bird, feeling free and brave
I'm on a plane

Make sure your seat's upright
Now let's take flight
