

TIE YOUR SHOES GROOVE

Criss cross your laces and pull them down
Now make a loop and twist the other around
Pull that lace through so they look like two bunny ears
Your shoes are tied, and now it's time to cheer!

Oh! Oh! I know how to tie my shoes
Oh! Oh! Now I've learned and I can't lose
Oh! Oh! Gonna clap my hands and I'm gonna spread the news
I'm feeling good 'cuz I learned how to tie my shoes

Let's try it again!

Criss cross your laces and pull them down
Now make a loop and twist the other around
Pull that lace through so you've got your pretty bow
Your socks are on, your shoes are tied, and now it's time to go!

Oh! Oh! I know how to tie my shoes
Oh! Oh! Now I've learned and I can't lose
Oh! Oh! Gonna clap my hands and I'm gonna spread the news
I'm feeling good 'cuz I learned how to tie my shoes

Now that my shoes are tied, I'll leap on up and dance with pride
I'll skip and run and jump with my friends every day, and we'll say

Oh! Oh! I know how to tie my shoes
Oh! Oh! Now I've learned and I can't lose
Oh! Oh! Gonna clap my hands and I'm gonna spread the news
I'm feeling good 'cuz I learned how to tie my shoes, oh yeah
I'm feeling good 'cuz I learned how to tie my shoes
