

BALLERINA BUNNY

What are bunnies like?

We have bunny ears and two big feet
And we hop to the ballerina beat
Feet together, and hop around
Now we pull the carrots from the ground
Munch munch munch on your carrot treat
twirl around, oh it sure is sweet
We have bunny ears and two big feet

Point your left toe front, tap tap tap
Point your right toe front, tap tap tap
Put on your bunny ears, shake them here and there
Spin your tail around, shake it everywhere

Bunnies love to hop so fast
Fun times in the tall tall grass
Hopping left and hopping right
Crouching low and jumping high
All our friends are here at last
ballerina bunny class
And bunnies love to hop so fast

Point your left toe front, tap tap tap
Point your right toe front, tap tap tap
Put on your bunny ears, shake them here and there
Spin your tail around, shake it everywhere

We have bunny ears and two big feet
And we hop to the ballerina beat
Feet together, and hop around
Now we pull the carrots from the ground
Munch munch munch on your carrot treat
twirl around, oh it sure is sweet
We have bunny ears and two big feet
