

RAINBOW RODEO

Hey there cowboys and cowgirls! Don't you just love ALL the colors of the rainbow? Here at the rodeo, you can see all the colors, and it makes me feel like moving! How bout you?

Giddy up cowpoke
Get on your horse and ride
There's just so much to do
Point to the colors
of the countryside
See them, red green and blue

There's so many colors
I see as I go
Riding around the rainbow rodeo
I wave my hands fast
And I walk very slow
Riding around the rainbow rodeo

Here on horseback
I dust off both my boots
Touch my toes left and right
Watch me ride now
How I slide and scoot
'n reach my hands towards the sky

There's so many colors
I see as I go
Riding around the rainbow rodeo
I wave my hands fast
And I walk very slow
Riding around the rainbow rodeo

All right now, that sure is fun! Y'all come on back now real soon, y'hear? So long!
